

Pet feeding schedule

Exact meals, portions, fresh water, treats and multi-pet boundaries.

MEALS

Pet names

Rowan and Pip.

Morning meal - time, food and exact amount

08:00 - Rowan: one level labelled scoop in kitchen. Pip: half a pouch in utility room.

Midday meal or snack - time and amount

None.

Evening meal - time, food and exact amount

18:00 - same labelled portions and separate rooms as breakfast.

WATER, TREATS AND BOUNDARIES

Fresh-water routine and bowl locations

Refresh kitchen and upstairs bowls after breakfast and before bed.

Allowed treats, limits and foods to avoid

Two dog training treats after walk; one cat treat after play. No table food.

Separate feeding and bowl rules

Keep utility door closed until both bowls are lifted.

Normal appetite and when to call

Call Alex if either pet refuses two consecutive meals or seems unwell.

CONTACT

Owner contact

Alex - checked mobile number.

IMPORTANT

Record the food amount your pet already follows. Contact a veterinary professional if you need feeding advice or appetite changes unexpectedly.
